Take The Love

Take the love you had for me
and turn it into laughter
turn it into blinding light
to shine on you thereafter

Take the love you have for me
and show it to the world
something so amazing
needs to blossom and unfurl

Take the love that made us
keep it burning bright
let that fire guide you
let it warm you through the night

Take the love you shared with me
and spread it out with gladness
my life will not have been in vain
if you can fight the sadness

Take the love my darling
it's yours to carry on
grow that love forevermore
and then I won't be gone.
