Hymn

It Is Well

Heinz Exit

The Road Home

In the midst of the forest I walk along,  
On a track where there is no grass sown.

Birds singing with cowbells ringing,  
Make a melodious song which makes me dream of Samoa,

A country never at war.

People always applaud,

And I love you with all my heart.

Although we are apart, I will return soon,

By the next full moon, To be with you always,

And to write melodious poems.

The memories are fading away

As I come closer to the gate.
