

For Claire

Beloved friend
I will miss you from this earth
from the poems
and paintings we shared,
your insight and thoughts
always a rejuvenation
an uplifting of the heart.

I hope you do not
look back with sadness,
this is a time for lightness
and soaring.
As I think of you
I see the bright prism
of your spirit
reflecting back love.

I will not forget you,
look how the poems
and images
still fly between us,
there is always
a myriad of doorways
open to kindred souls.

And I know you will reply,
perhaps from within
a clear blue sky
or a bird's crystal note
or in that silence
where music is born
where here or there
has no meaning at all.

Thank you for gracing my life Claire
God bless you.
