Sandy's Tribute

They say memories are golden,
well maybe that is true.

I never wanted memories
I only wanted you.

A million times I needed you,
A million times I have cried,
If love alone could have saved you
you never would have died.

In life I loved you dearly
In death I love you still.
In my heart you hold a place
Nobody will ever fill.

If tears could build a stairway
And heartache make a lane,
I would walk the path to heaven
To bring you back again.

Our family chain is broken
And nothing seems the same.
But as the angels call us one by one
The chain will link again.
