

An Invitation

David's family wish to thank you for being here today and for all your love and support at this time.

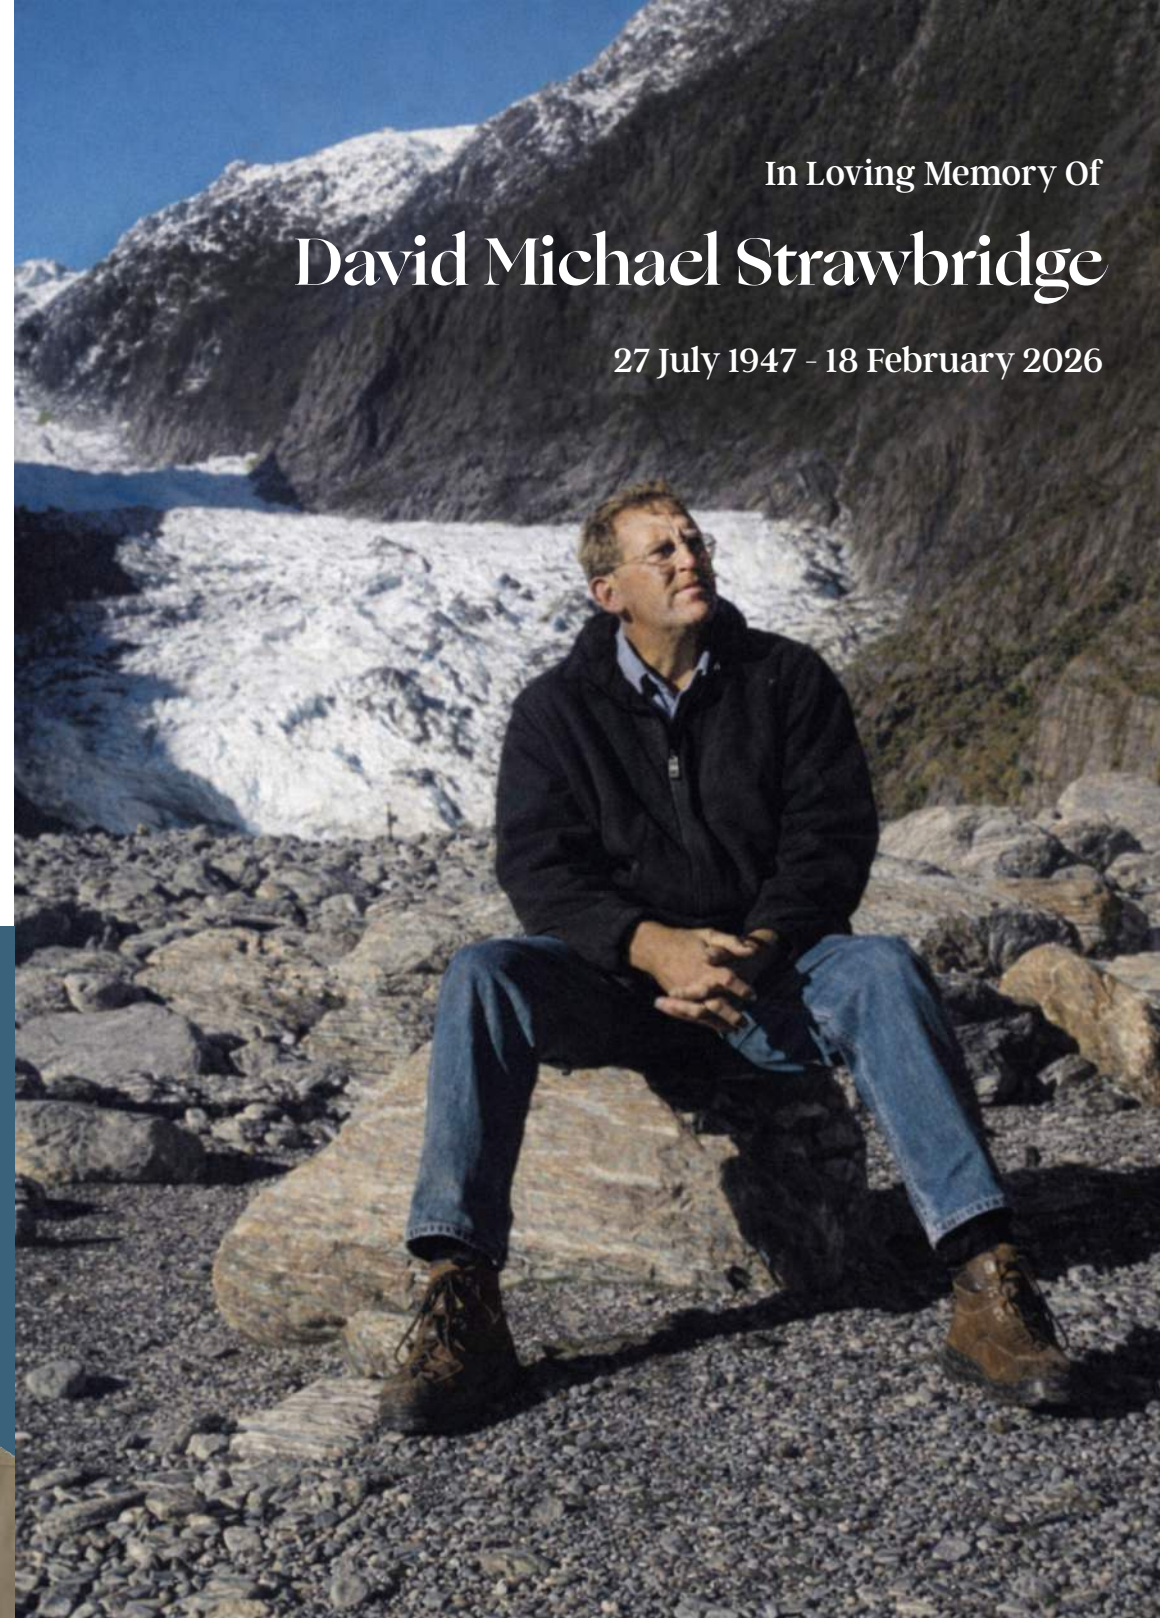

If you have not done so already, please take the time to leave your name and message for the family in the Memorial Book located in the foyer.

Following this service, you are welcome to enjoy refreshments in the school cafeteria and share memories of David whilst his family attend a private burial. They will join you afterwards.

We would like to express our heartfelt thanks to the school for their kindness, participation in the ceremony, and for allowing us to use their facilities. It has been such a fitting and meaningful place in which to celebrate David's life, and we are truly grateful for their support.

Please note that our time here concludes at 1:30pm.
