

Footprints

One night a man had a dream. He dreamed
he was walking along the beach with the Lord.

Across the sky flashed scenes of his life.

For each scene, he noticed two sets of footprints in
the sand; one belonging to him, and the other to the Lord.

When the last scene of his life flashed before him,
he looked back at the footprints in the sand.

He noticed that many times along the path of his
life there was only one set of footprints.

He also noticed that it happened at the very lowest
and saddest times of his life.

This really bothered him and he questioned the
Lord about it. "Lord, you said that once I decided to
follow You, You'd walk with me all the way.

But I have noticed that during the most troublesome
times in my life, there is only set of footprints.

I don't understand why when I need You most,
You would leave me".

The Lord replied, "My precious child, I love you and
I would never leave you.

During your times of trial and suffering, when you
see only one set of footprints, it was then that I carried you".

Words of Thanksgiving & The Lord's Prayer

Our Father, who art in heaven,

Hallowed be thy name;

Thy Kingdom come; Thy will be done;

On earth as it is in heaven.

Give us this day our daily bread.

And forgive us our trespasses,

As we forgive them that trespass against us.

And lead us not into temptation;

But deliver us from evil.

For Thine is the Kingdom,

the power and the glory,

For ever and ever. Amen
