*That Person Will Be Remembered*

That person will be remembered ...  
who has lived well,  
laughed often and loved much;  
who has gained the respect of thoughtful people  
and the love of children and friends;  
who has filled their niche and accomplished their task;  
who leaves the world better than they found it;  
who has never lacked appreciation of earth's beauty  
or failed to express it;  
who looked for the best in others  
and gave the best they had.
