

An Invitation

Brian's family thank you for your love, kindness and support during this time of sadness. Your presence today is much appreciated. At the conclusion of today's service, you are welcome to stay for refreshments.

There will be a toast to Brian after he has been carried out to the hearse.

Remembrance Book

Please take a moment to write your name or a message to Brian's family in the Remembrance Book, located in the foyer of Silverstream Retreat. The book will remain there during the time of refreshments and is a special memento for his family.
