Reading
His Role Down Here is Done
His little soul has touched us all
He didn't need to stay,
His spirit touched each one of us
before it sailed away.
We all know souls arrive on earth
With special roles to fill,
And his has fully played it's part,
His memory guides us still.
He had a very special soul
He stayed but just a while,
So if, or when, you're feeling sad
Recall him with a smile.

For then you'll know inside your heart
The reason why he's gone,
And never feel so empty that
His role down here is done.
His spirit touched each one of us,
No other ever could.
Forever will we cherish him
The way we know we should.
