Communal Singing

Jerusalem

And did those feet in ancient time
Walk upon England's mountains green?

And was the holy Lamb of God
On England's pleasant pastures seen?

And did the Countenance Divine
Shine forth upon our clouded hills?
And was Jerusalem builded here
Among these dark Satanic mills?

Bring me my bow of burning gold
Bring me my arrows of desire
Bring me my spear! O clouds unfold!
Bring me my chariot of fire.

I will not cease from mental fight
Nor shall my sword sleep in my hand,
Till we have built Jerusalem
In England's green and pleasant land.

Walking the grass so green, watching the birds preen
The fantails they flit amongst the trees
Nearby swarm buzzing bees
The fantails they come close
I wonder if they will land, upon my hand
They always flit near where, I stand
