### ***Verse - At The End of Life***

At the end of life  
We shall be remembered

Not for how much pleasure we gained  
But for how much love we gave

Not for how it was full of success  
But how full it was of sacrifice

Not for how happy we were  
But for how helpful we were

Not for how ambition was achieved  
But for how our love was served.

### ***Verse - That Person Will Be Remembered***

That person will be remembered...  
who has lived well,  
laughed often and loved much;  
who has gained the respect of thoughtful people and  
the love of children and friends;  
who has filled their niche and accomplished their task;  
who leaves the world better than they found it;  
who has never lacked appreciation of earth's beauty or  
failed to express it;  
who looked for the best in others  
and gave the best they had.
